and enclose \$ Cash/Cheque

Address:

..... Postcode:.....

Phone:.....Mobile:Email address:.....

Preferred name on Membership Badge.....

Orange U3A Inc. – Additional Membership Information

- The **Name Badge** and **Receipt** will be posted or distributed through the Course Leaders folder a week or so after enrolment.
- Your annual membership subscription covers all classes and activities conducted by Orange U3A during the current year.
- If the class you enrol for does not meet your expectations, please do not hesitate to think about another course.
- When you join a class make yourself known to the **Course Leader** or **Class Assistant**. During the year it is quite easy to fall through the cracks or not be able to make yourself known to all members. You will notice that some courses are so popular members arrive early and settle down to work and do not lift their heads when others arrive.
- Quite often too, it is possible to delay joining another group (there is no limit to the number of courses a member can attend during a week/term). However, we do like to warn new members not to be too enthusiastic when they read though the program, and so give themselves a very tight weekly schedule.
- The **Friday Talks** sessions are usually the first and last Fridays monthly and are designed to bring all members up-to-date with organisations working hard in the community providing services, housing for the homeless, scams etc. which we do not always pick up on in the local papers.
- **Armchair Travel** sessions are enjoyable too but we are always looking for members or their friends who have enjoyed overseas holidays. Could you help us here?
