- End of Term 4

CLASSES RESUME 5TH FEBRUARY, 2018

IMPORTANT NOTICE

We have had an invitation from Canobolas Local Area Command to attend a Fraud Forum, which will be held at Cafe Connect (Live Better Centre) March St. on Thursday, 16th November. There will be morning and afternoon sessions (times not available at the moment). This will be something special. Members of the NSW Police Force Fraud Squad will be in attendance to speak about fraud offences that occur in our area, and how to avoid them; a technical person will also talk about keeping our phones, tablets and computers safe. Both the Fraud Squad and Tech Consultant will be available to answer questions afterwards, and the Tech Consultant will hopefully be available to assist people with the portable device security settings and book appointments for more in depth problems. Booking details are not available at present, but keep watching the course leaders folder for more information. Please pass the word on to your friends.
